

Building Damage by Occupancy

Economic Impacts by Census Tract

Total Economic Loss

| Top Counties | State | Total |
|--------------|-------|-------|
|              |       |       |
|              |       |       |
|              |       |       |
|              |       |       |
|              |       |       |
|              |       |       |
|              |       |       |

Peak Gust by Census Tract (mph)

Damaged Essential Facilities

Displaced Households & Short-Term Shelter Needs

| Top Counties | State | Displaced Households | People Needing Shelter |
|--------------|-------|----------------------|------------------------|
|              |       |                      |                        |
|              |       |                      |                        |
|              |       |                      |                        |
|              |       |                      |                        |
|              |       |                      |                        |
|              |       |                      |                        |

Debris

Total Tons:  
Total Truckload:

| Type | Tons |
|------|------|
|      |      |
|      |      |
|      |      |
|      |      |

The estimates of social and economic impacts contained in this report were produced using Hazus loss estimation methodology software which is based on current scientific and engineering knowledge. There are uncertainties inherent in any loss estimation technique. Therefore, there may be significant differences between the modeled results contained in this report and the actual social and economic losses following a specific hurricane.
