Economic Loss by Census Tract

Total Economic Loss

Total:

Top Counties	State	Total

Injuries and Fatalities

Total:

Top Counties	State	Injuries (day/night)	Fatalities (day/night)

Displaced Households & Short-Term Shelter Needs

Total:

Displaced Households

Top Counties	State	Displaced Households	People Needing Shelter

Peak Ground Acceleration by Census Tract

Debris

Total:

Type	Tons

The estimates of social and economic impacts contained in this report were produced using Hazus loss estimation methodology software which is based on current scientific and engineering knowledge. There are uncertainties inherent in any loss estimation technique. Therefore, there may be significant differences between the modeled results contained in this report and the actual social and economic losses following a specific earthquake. These results can be improved by using enhanced inventory, geotechnical, and observed ground motion data.
